Assorted Bakery Platter (Serves 14-16 or 20-24)

\$55 \$75

Delicious assortment of Frazier Farms Favorites.

Golden Harvest Turkeys

*The holidays are rolling near and that means it's time to order your Golden Harvest Turkey!
Our turkeys are all natural birds that do not contain any hormones, steroids, antibiotics, or preservatives.
Their feed contains no animal by-products. Pre-order at our meat counters today!*

Brine Instructions:

Choose your desired Frazier Farms turkey.
Choose your brine. (Give our house-made Chamomile Orange brine a try!)
Prepare your brine by heating your water, sugar, and salt until dissolved.
Make sure brine is ice cold before adding turkey to it.
Remove turkey from packaging, be sure to remove giblet bag and neck, make sure to check both cavities.
Submerge bird in brine for 24 hours.
After 24 hours, pull turkey from brine and discard brine.
Pat turkey dry inside and out.
Follow cooking instructions.

Turkey Cooking Times:

8-12 lbs.	3-4 hours
12-16 lbs.	4-5 hours
16-20 lbs.	5-6 hours
20-24 lbs.	6-7 hours
24-28 lbs.	7-8 hours

We do not recommend cooking your turkeys with stuffing inside, but if you choose to do so, cook times should be increased by 30 minutes on the scale.

Cooking Instructions:

Choose your desired Frazier Farms turkey.
Remove from packaging and pat turkey dry inside and out.
We recommend inserting half of an onion, a few stalks of celery, a carrot, whole fresh citrus of your choice, and fresh herbs such as thyme or oregano.
Fold neck skin back and pin it with a skewer to body.
Truss legs down and tuck them under skin band. Make sure to twist the wings back and tuck them under the body to keep them from overcooking or burning.
Rub entire turkey with a coarse ground salt and pepper to taste.
Place turkey in a shallow braising or roasting pan.
If you have a wire rack, place under the turkey. This is highly recommended for even air flow around the bird.
Baste turkey every 45 minutes to an hour over the entire cooking time with butter, margarine also works.
In the event the turkey is browning too fast, place a piece of loosely wrapped foil over the breast.
Roast turkey at 325 degrees until the meat thermometer reads 165 degrees placed in the largest part of the turkey thigh.
Let turkey rest for 45 minutes.

**Pre- Order
Now**

USDA Choice Prime Rib Roast

USDA Choice Angus Beef is high quality and the second highest graded beef. All natural beef with no antibiotics, no added growth hormones and no artificial ingredients. Choice roasts and steaks from the loin and rib will be very tender, juicy, flavorful and are suited for broiling, roasting or grilling.

How to Order

Pre-order your Golden Harvest Turkey or USDA Choice Prime Rib Roast within the Meat Department at all locations or visit our website: www.frazierfarmsmarket.com. For further details or assistance, inquire within the meat department, or call: Oceanside (760) 429-2092 | Vista (760) 758-7175 | La Mesa (619) 309-4024
